I should hope not. That  
accused creature does not  
inhabit this mortal coil  
still, does he?

He does at some times.  
Who are you?

I am a ghastly scourge  
upon the land.

I can see that. Which is  
why you are attending  
this wedding?

I am attending this  
wedding for the sole  
purpose of spawning my  
seeds of dissent and  
hatred.

anything pertaining to this  
eve, either.
